

Safety & Health Council
of Northern New England

83RD Annual Maine Safety & Health Conference

Exhibitor Registration Form

In celebration of our **83rd ANNUAL SAFETY & HEALTH CONFERENCE**, SHCNNE has taken “XL” to heart in creating an “extra-large” program of educational and networking sessions that will help attendees “excel” in their business and personal life.

We are excited to announce that we will be holding this year's
83rd Annual Safety & Health Conference in Augusta, Maine
on **September 21-23, 2010**.

Be a part of the action by not only exhibiting, but attending the sessions and social event to increase your networking opportunities. You will learn and gather vital information for your company and to grow your companies' sales!

Showcase your products to Safety Professionals and Leaders, State Associations, Professional Affiliates and more!

By exhibiting in the Conference your company will be able to network and learn about areas of concern that local Safety Professionals are facing in today's world. Your Company will return with the insight and useful information geared to assist you in further developing and expanding your sales and expertise.

We appreciate your support and consideration.

Sincerely,

The Safety & Health Conference Committee & staff
