Safety & Health, *It's Your Busine\$\$!*

Now in its 39th year, we are pleased to announce our Annual Safety & Health Conference serving central New England. Conveniently located at Exit 1 on the New Hampshire / Massachusetts border, our conference provides Safety & Health professionals the latest information through workshops, key note presentations, exhibitor

area and valuable peer-to-peer networking. We are also holding conference prices the same as in 2008 & 2009, so extraordinary value is here and now! More information is available on our website at www.shcnne.org or contact Melissa at 888-396-2047.

MSHA TRAINING IS COMING TO NH IN FEBRUARY!

Our Council began offering MSHA Annual Refresher Training last year and trained over 530 workers! We will be offering the training again this year from February to May in NH at our new Training Center. We will be increasing the number of workshops from 12 to 18, so there will be more opportunities to take this workshop. Cost to attend will remain at \$50.
