

# 2012 Maine Safety & Health Conference Exhibitor Form

**Location: Augusta Civic Center**

**Dates: September 18-20, 2012**

*Safety & Health Council  
of Northern New England*

# Be part of the New Hampshire Safety & Health Conference!

The Safety and Health Conference is the largest annual New Hampshire event serving the billion-dollar occupational safety and health market.

The New Hampshire Safety and Health Conference is the place to keep up to date with general industry trends and issues; to see new products, services and developments and to network and connect with safety friends and leaders.

## WHY YOU SHOULD EXHIBIT

The New Hampshire Safety and Health Conference attracts attendance of more than 150 safety, health and environmental professional representing Northern New England.

Attendees come to get answers, compare vendors and of course

**BUY, BUY, BUY!**

Don't miss this opportunity to: meet with buyers, introduce new products, form strategic relationships, set up distribution networks, promote your brand and offer special pricing during the conference.

A great networking opportunity as well as a valuable learning opportunity. Definitely a must for everyone serious about safety and health. Joe Ditzel, NH Bragg
