“Safety Around the Clock!”*

Safety & Health Council
of Northern New England

Be part of this exciting new NSC Conference!

The Safety and Health Council of NNE , National Safety Council & The University of Vermont are teaming up to bring you the 3rd largest annual event serving the billion-dollar occupational safety and health market.

The SHCNNE Vermont Safety and Health Conference is the place to keep up to date with general industry trends and issues; to see new products, services and developments and to network and connect with safety professionals and leaders.

WHY YOU SHOULD EXHIBIT

The SHCNNE Vermont Safety and Health Conference is expecting attendance of more than 200 safety, health and environmental professionals representing Northern New England.

Attendees come to get answers, compare vendors and of course

BUY, BUY, BUY!

Don't miss this opportunity to: meet with buyers, introduce new products, form strategic relationships, set up distribution networks, promote your brand and offer special pricing during the conference.

If your company is involved in any of the following areas, this show is a must!
A wide range of industries are represented, including:

Administrative
Emergency Response
Environmental Protection
Ergonomics
Fall Protection
